

ARCEM

Proudly Made in Canada

# Who We Are

The most creative ideas for paper

As one of the most innovative and fastest-growing paper bag manufacturers in North America, ARCEM takes pride in delivering a portfolio of high-quality paper bags designed to enhance everyday life. Through a strong commitment to creativity, quality, and expertise, we strive to redefine the possibilities of paper while consistently exceeding expectations.

## Eco-Friendly Bags

Compostable & Biodegradable  
Virgin and Recycled Fibers from  
well managed forests

## High Strength

Kraft bags that offer strength,  
reliability and quality.

# Carbon Footprint

Eco Friendly

- Paper bags that are compostable and biodegradable
- Virgin and recycled fibers sourced from well-managed forests
- Manufacturing methods that maintain a carbon-neutral footprint

The raw material used in papermaking—cellulose fiber extracted from wood—is a renewable and continuously replenished natural resource. Thanks to their natural properties, our bags biodegrade if they inadvertently end up in the environment.

# Creative Solutions

Innovation , Quality and Expertise

## ● Custom Printing Options

Premium, high-quality four-color printing options

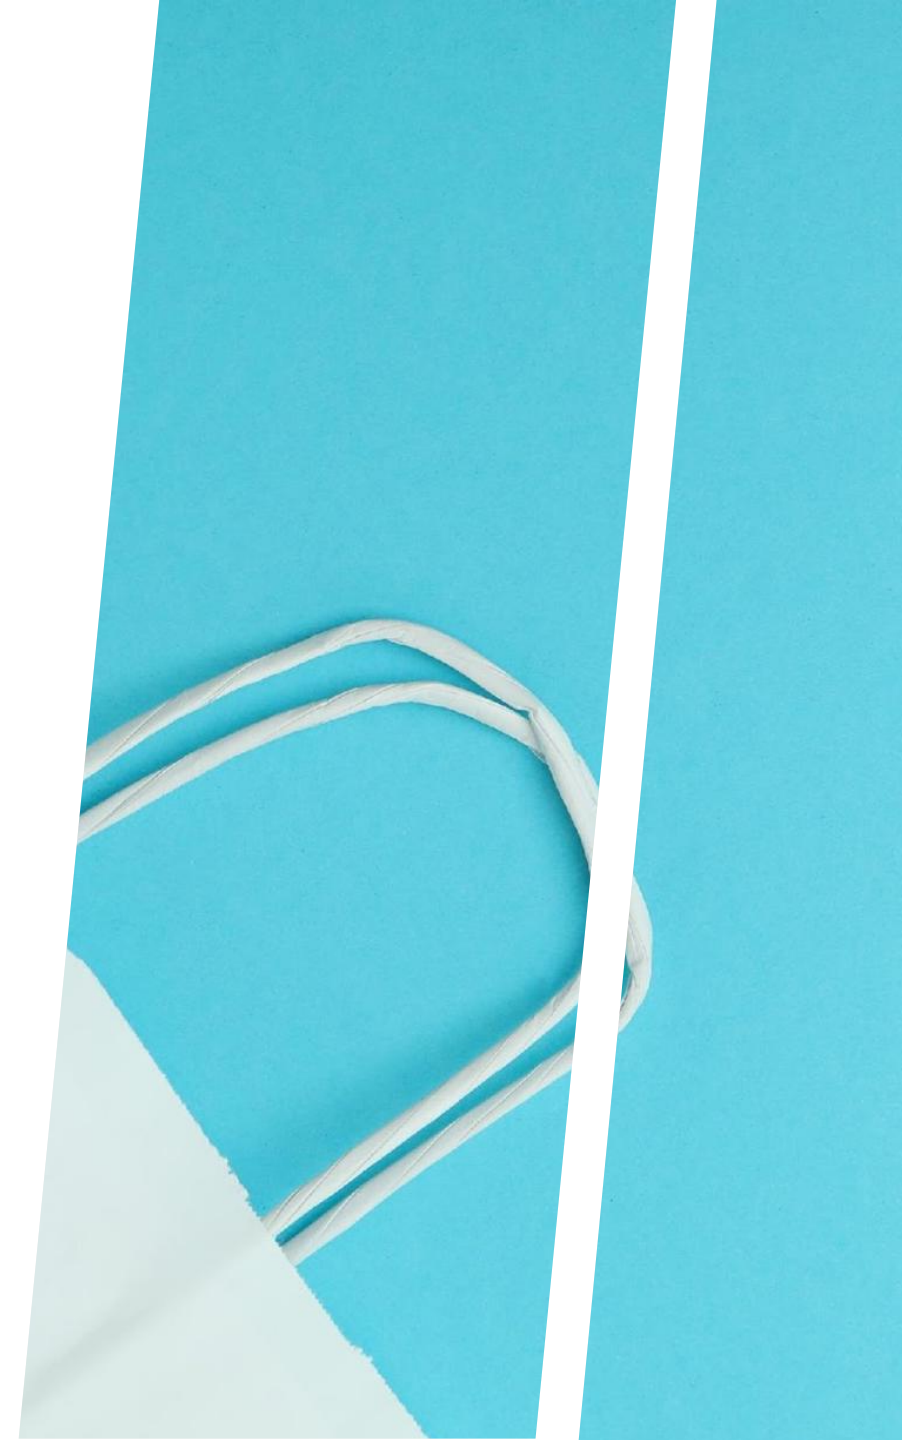

Fully customizable bags and handles with multiple color and style options.

## ● Soft Grip Technology

Enhanced Non-abrasive rope handle technology

## ● Consistent Tensile Strength

A comfortable and secure user experience, supported by consistent tensile and tear strength from virgin fibers manufactured using cutting-edge technology and innovation.

# Our Passion

Responsible , Reliable

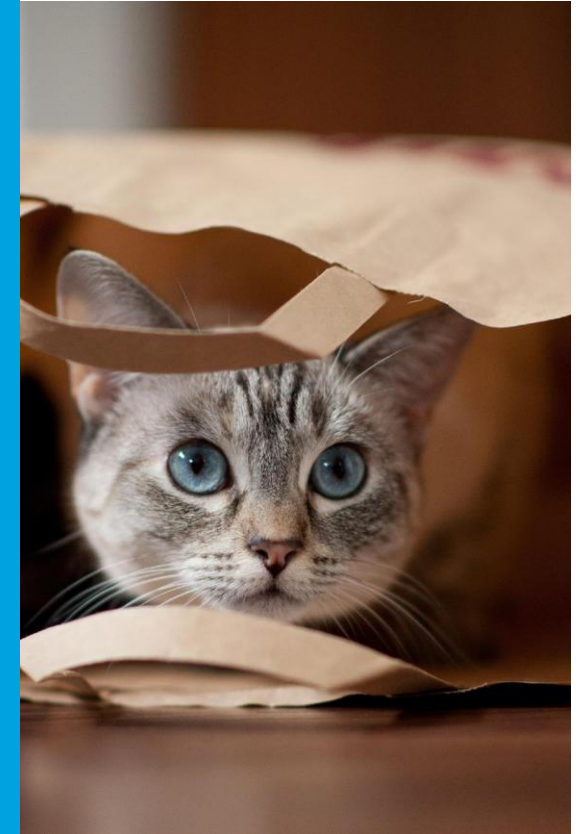

“ Driven by passion and purpose, we craft state-of-the-art paper bags made from virgin and recycled fibers, designed to meet the most demanding needs of today. Our commitment to quality and innovation fuels every step of our manufacturing process, ensuring products that combine sustainability, functionality, and excellence.

---

We strive to provide our customers with paper bags that meet—and exceed—their expectations. We are committed to continuous improvement, and all our bags are designed and manufactured to withstand the most common stresses throughout their lifespan.

“ Shop with comfort and deliver with confidence...
